The ideal gift for girls and boys, which serves to encourage concentration and playfully stimulates the imagination.

Does the sausage dog have fins? How does the cow look with a magnificent walrus beard? Switch the head, belly and bottom of the puzzle animals with each other in any way you like. With extra large pieces for little hands, puzzle fans can invent and discover their very own imaginary animals.

Creative People:

Illustrator: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
